

Formwork wall fastener
accessory
ZSB 611-0

200016706-00

Product description

Formwork wall fastener accessory for mounting flush-mount housing GU 611-... in form work walls, made of styrofoam.

The ZSB 611-0 reinforces the GU 611-... during form work wall mounting and ensures that no deformation of the flush-mount housing takes place during compaction of the concrete.

Specifications

Dimensions (mm) W x H x D: 96 x 96 x 48
