## Product description

---

Comfort handsfree bus telephone intercom for Siedle In-Home bus.

With the functions calling, speech, door release, light, storey call, switching/control functions and internal communication.

Performance features:

- Integrated audio privacy device
- Muting and status display
- Parallel switching of 4 bus deluxe handsfree telephones (from the 3rd device, the PRI 602-... USB and ZBVG 650-... are required for programming)
- Call differentiation for storey call, 2 door calls and internal call
- Set callback
- Call generator with 11 call tone sequences, including chime
- Call volume adjustable in 5 stages up to max. 83 dB(A)
- Door release/light function at any time using bus cores
- Door connection possible at any time
- 8 display LEDs (e.g. door open)
- 8 function buttons, 7 freely configurable and capable of double assignment. Button functions can be freely assigned and actuated without additional installation via bus wires, e.g. for internal telephony
- Door call acceptance
- Large-area button (as speech/control button)
- Base plate with pre-installable terminals
- Parallel switching accessory ZPSF 850-..., in order to connect a maximum of 4 additional bus handsfree telephones in parallel, retrofittable.
- Interfacing relay accessory ZARF 850-... retrofittable
- Can be used with table-top accessory ZTS 800-... as a table-top device
- Call forwarding
- Collective announcement
- Automatic call pick-up with internal call
- Doormatic

---
