

Access video panel
AVP 870-0 W
200048778-00

Product description

Access video panel with 17.5 cm touchscreen for the Access Professional system, made of high-grade plastic. The panel is a system product with a low-profile surface mount housing for wall and table-top mounting. It provides ergonomically designed intuitive user prompting with gesture control.

With the functions calling, speech, vision, door release, light, remote switching and call silencing.

Performance features:

- Individual crafted design concept offering a wide choice of varied features and finishes
- Display offers graphic scope for individual operation
- 17.8 cm (7") touchscreen, resolution 800 x 480 Pixel
- Brilliant image reproduction
- Excellent audio quality (dual loudspeaker technology)
- Input for storey call
- Output freely programmable
- Additional inputs and outputs with Access input/output accessory AZIO 870-...
- Call differentiation between door calls, storey calls, and internal calls
- Switching functions
- Video memory function
- Can be used with table-top accessory AZTVP 870-... as a table-top device
- Update capability using the Access server
