

Video isolator
VPT 640-0

200086935-00

Product description

Video potential isolator in surface-mount housing, for systems in which several devices are used with PE conductor connection or grounded housing.

This compensates for different ground potential which would otherwise cause a disturbance. Can also be used as decoupling element in large coaxial side circuit systems.

Specifications

Operating voltage:	24 V DC
Operating current:	max. 100 mA
Protection system:	IP 65
Ambient temperature:	-20 °C to +55 °C
Dimensions (mm) W x H x D:	115 x 65 x 50
