SSS SIEDLE

Hearing aid-compatible receiver
HH 800-0

200087165-00

Product description

The hearing-aid compatible receiver permits a connection to be made with hearing aids via an induction loop.

The technology can be retrofitted to all current in-house telephones. For this, the original receiver is exchanged for the compatible receiver. The receiver fulfils the ETS 300 381 European standard.

Specifications

Dimensions (mm) W x H x D:	39 x 179 x 22
